

## We want to know how families in Jackson and Josephine counties are doing as we head into 2022.

Would you be willing to help by doing 5 simple online surveys over the year? We are looking for 40 families to participate, and we can offer you \$20 for each survey you complete, for a total of \$100.

Please let the person you gave you this flyer know you would like to participate. They can provide you with a sign-up code to the UpTogether website at [www.UpTogether.org](http://www.UpTogether.org). UpTogether will send out a survey every few months and make sure \$20 is sent to you for each survey you complete.

This information will help us understand how to best support children and families in our region and would be greatly appreciated.
