

Strategic Map

Vision Statement

Enhanced overall well-being and improved health outcomes of women, children, teens and families - before, during and after pregnancy.

Mission Statement

To improve knowledge, behaviors and systems of care for women, teens, children and families in Josephine County through a cross-sector Perinatal Task Force

Strategic Goal Area

High Level Strategies

Community Mapping

- Map resources and identify gaps
- Create county data profile specific to perinatal outcomes

System Coordination

- Improve systems for referral & intervention (substance abuse, behavioral & mental health resources)

Community Engagement

- Client and consumer involvement
- Healthy Start Advisory Group

Identify Task Force Priorities

- Identify yearly priority areas
- Identify champions for each priority area
- Promote and support *One Key Question*
- Align with Title V priorities

Training

- Equity and cultural competency
- ACES and trauma-informed care
- Breastfeeding & other Perinatal health priorities

Task Force Structure

- Develop governing structure (leadership, decision-making, diversity lens)
- Develop staffing structure
- Create meeting calendar

Our Values: Equity — Cross-sector collaboration — Consumer & client involvement — Alignment with State & national efforts — Data-driven approaches

Adopted January 2017
